

## Workshop on mathematical modelling of CML

*Venue:* University Hospital Brno, Jihlavská 20, The Czech Republic, 14. floor of the building L, auditorium

*Date:* 8th of February 2023

*Preliminary agenda:* 14.00 Snack and coffee

14.15 Scientific program

### Scientific program:

- Jiri Mayer, University Hospital Brno: Introduction
- Daniela Zackova, University Hospital Brno: The CML stopping trial HALF: stopping after two-step dose decrease.
- Ingmar Glauche, University of Dresden: The mathematics of CML: a complementary view on dose reduction and treatment cessation.
- Ingo Roeder, University of Dresden: Data integration between clinics and computational models.
- Adam Svobodník, Radka Stepanova, Masaryk University Brno: Data handling and processing of the HALF project.
- Discussion.
